

Drug & Alcohol Testing Association of Canada

eLEARNING SERIES:
CERTIFIED DOT SPECIMEN COLLECTOR COURSE

Online Training

Perform DOT-compliant collections while respecting Canadian law

DATAAC's self-led, online certification program covers all aspects of alcohol testing as mandated by the federally-regulated United States Department of Transportation (DOT).

DATAAC's self-led online certification program covers all aspects required of a federally-regulated United States Department of Transportation (DOT) drug testing program.

This practical overview of the DOT's workplace drug testing regulations prepares its graduates to perform DOT-compliant collections while respecting Canadian human rights and privacy legislation.
