

Corrective Training Notification

Date:

Subject:

Collector:

Specimen ID #:

Collection Date:

The aforementioned collector for this DOT test is hereby notified of the following fatal flaw which has led to the cancellation of the specified test by the MRO.

<list fatal flaw>

As is required by the DOT, as per part 49 CFR 40.33 (f), you are now required to undergo Error Correction Training within the next 30 days. During the next 30 days you may continue to do DOT testing, however after the 30 days you are no longer able to do DOT collections until this training has been completed.

Once you have completed your Error Correction Training, please have the trainer sign and date this form and/or provide a certificate or letter to confirm that the training has been completed. Please fax this form and/or the proof of Error Correction Training to the MRO at <MRO fax number>.
